HORSE SHOWING CLASSES ARE ON SUNDAY.

Depending on your show you may or may not include a specific 4yr old class or small hunter within this section. That is fine we can take a top 4yr old from any class above based on your schedule and the judge's discretion on the day.

We also recognise that some weighted classes may be combined depending on entries. After the above classes are complete 1st and 2nd placed combinations from each class should go forward to a Weighted Hunter Championship on the day.

TO QUALIFY

Max three horses can qualify from this championship

- 1) Champion
- 2) Reserve Champion
- 3) Top placed 4yr old (IF NOT ALREADY CHAMPION OR RESERVE) **NB: RE 4yr olds.**
 - If a 4yr is chosen to be Champion **or** reserve champion, then 2 these two horses will qualify for the final
 - If Champion and Reserve Champion are both 4yr olds then these 2 horses will qualify for the final
 - If a 4yr old is **NOT** Champion or Reserve, then it should be up to the judges discretion to pick the top 4yr old horse to qualify for the final. In this case 3 horses will qualify for the final.

*******Competitors must have passports available. The passport numbers of all prize winners will be recorded on the qualifying dates and then must be produced and confirmed on the day of the final.**

SHOWING IRELAND RULES FOR RED MILLS- Amateurs

Criteria for qualification

1st and 2nd placed will qualify in the Amateur Class for Final

- If 1st and 2nd place has already qualified the qualification will be offered to the 3rd placed competitor
- Qualification will go no further than 3rd place

If your show finds it necessary to split the Amateur class (the ideal amount of entries in one class is 15) it would be advisable to hold a Championship in which case Champion and Reserve Champ will qualify

NB- To Qualify for the Amateur FINAL – Amateurs may compete in other sections/classes but **CANNOT** qualify for **BOTH** finals

Definition of Amateur classes/riders
